# Dhoop Cones

Crafted with utmost care and devotion,  
our dhoop cones are sourced sustainably,  
honouring the sanctity of nature

## Dhoop Cones

### Pure Ingredients

Made purely out of coconut shells, our  
dhoop cones are revered for their purity.

### Sustainable and Conscious

Crafted with utmost care and devotion,  
our dhoop cones are sourced sustainably,  
honoring the sanctity of nature.

## Product Specifications

Length	3.5 cm
Burn Time	15-20 mins
Quantity	Bulk orders accepted
Fragrance	Customizable

## Our step towards sustainability

We source our coconut shells from the temples, farms and processing units and convert them into high quality and chemical-free charcoal using optimized efficiency, precision process control, and emission reduction.

## Why Choose our Dhoop cones?

**Sacred Fragrances:** Infused with divine aromas, each cone carries the fragrance of devotion.

**Versatile use:** daily pooja or a grand havan ceremony, our Dhoop Cones are a trusted companion in spiritual communion.

**Chemical Free:** Free of all chemicals and toxicity, ensuring purity and safety.

**Enhance Your Spiritual Practice:** Deepen your reverence, and envelop your space in sacred fragrance.
